

DPD-5867-61

21 September 1961

MEMORANDUM FOR: Chief, Personnel Branch, DPD-DD/P

25X1A

SUBJECT : Personnel Increase

1. Reference is made to our recent discussions and written communications from concerning the need for ten additional contract employees (guards) to be utilized at . As you know, this new requirement stems from a need to establish additional guard posts in immediately north of . The additional perimeter protection which will be provided by these guard posts was deemed to be necessary after we learned that the Agency would not pursue its earlier intention of gaining surface control over an area of land which was to be appended to .

25X1A

2. Under the present OXCART T.O. we have four GS-11 positions for the individuals who will provide supervision for the twenty-five contract employees now authorized. With the addition of ten contract employees we will require one additional GS-11 slot in order to satisfy the need for an increase in supervisory personnel.
